

Behavioral HealthCare recognizes the need to support consumers with information in other languages and forms. Please feel free to contact BHI to request any of the following documents in Spanish. Please note that the Enrollee Member information is also available in Spanish, large print as well as by audio recording. To request these materials in Spanish or if there is the request for interpreter services in other languages or forms please contact the Office of Consumer and Family Affairs at 720-490-4403.
